## the funky, affordable place to host a function

Tonik's function room has its own bar (with keg taps), open fire places, couches or seating (what ever you require), sound system and small stage if you require it. You're encouraged to bring in your own CDs or Ipod, or let us take care of the music for you. Into breaks? Bring your decks, there's plenty of room.

The function room is appropriate for almost any function – engagements, birthdays, office outings, going away parties – you come up with any excuse and Tonik will help you execute an awesome party.

At Tonik, we want to create a comfortable and enjoyable environment for you and your guests. Come in and see our free function room for your next celebration.
